Sustainability Minor Checklist
2016-2017 Catalog
San Diego State University

- To earn the minor you must complete a total of 5 courses (15 units).
- You may use courses for both your Sustainability minor and your GE courses or your premajor courses, but you may NOT use courses for both your major course requirements and the Sustainability minor requirements.
- The SUSTN classes are cross-listed. If a SUSTN course is full you can also enroll in the equivalent department course.

**Required Core Courses (6 units)**
You must select ONE course from the following:
___SUSTN/ENV S 100 (Fall/Spring___)
