The Sustn minor requires completion of FIVE courses (15 units).
You may double count lower-division courses between your minor and GE or major preparation. You may double count upper-division minor courses with GE Explorations, but not with another minor or major.
Sustn classes are cross-listed; you are free to enroll in the equivalent department course.

Required Core Courses (6 units)
Select ONE course from the following:
___Sustn/Envs 100 (Fall/Spring___)
___Geog 101 (Fall/Spring___)
___Biol 315 (Fall/Spring___)
___Geog 370 (Fall/Spring___)

AND

Select ONE course from the following:
___Sustn/Phil 332 (Fall/Spring___)
___Sustn/Pols 334 (Fall/Spring___)
___Sustn/Anth 353 (Fall/Spring___)
___Hist 441 (Fall/Spring___)

Electives (9 units) Choose THREE courses from list below
___A. _____________________________(Fall/Spring___)
___B. _____________________________(Fall/Spring___)
___C. _____________________________(Fall/Spring___)

The following courses are approved as electives. You may also select any upper-division courses from the Sustainability Major’s Field Distributions list for the minor (requires advisor approval).

You may NOT double-count a course in both the Core and the Electives (Anth 353, Bio 315, Geog 370, Hist 441, Phil 332, Pols 334, Sustn 332, 334, 353)
